Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC. In your new leadership role, I urge you to support the "Fair Share Plan" as a solution to current concerns with the Universal Service Fund (USF). The Fair Share Plan will keep the USF fair, ensuring that consumers like me do not pay the same rate into the USF as big businesses, regardless of how little I may use long distance.

I oppose the "Flat Fee" tax increase. We're beening tax to enough it's time to stop being money hungry I think. Thank you for your time in reading my e-mail Chairman Martin. I do not use long distance anytime. I only use my cell phone when I in my car just in case it break down on me. So, this wouldn't be fair to me. I would hate to stop using cell phones altogether.

Sincerely,

Theresa Robinson 3189 Morningside St.
